Child Protection Requirements

Child Protection Requirements for Hubs and Peer Facilitators

Our approach

The British Council takes the welfare and safety of children very seriously and we have a zero tolerance risk approach to child safeguarding.

Our approach considers two axis of intervention:

- ♣ PREVENTATIVE – to reduce the likelihood of a child being harmed or abused.
- ♣ RESPONSIVE – taking actions to make sure that where concerns are raised or situations of suspected harm or abuse are identified, appropriate action is taken to ensure the child is assisted and to prevent similar situations occurring again.

Responsibilities of Debate Hubs and Peer Facilitators

Debate Hubs and Peer Facilitators play a critical role in delivering activity for YMV. Together they will work to establish debate Clubs which are at the core of the programme. They also have an important role to play in both the prevention and response to any child protection issues.

Hubs and Facilitators have the following responsibilities:

1. All staff members of Hubs directly involved in delivering YMV activity are required to undertake the online British Council Child Protection Training before any YMV activity is delivered.
2. All Peer facilitators are required to take the online British Council Child Protection Training before any YMV activity is delivered.
3. All hubs and facilitators should share a screenshot of their certificate (of the CP training) to the relevant country programme manager at the British Council.
4. Where available, Debate Hubs are required to share copies of their child protection policy, code of conduct and other relevant policies with the YMV country manager at British Council.
5. All hubs and facilitators should provide their criminal record (we usually ask this document while recruiting someone new that he/she is free of any criminal act)
6. All hubs should fill the venue assessment form before delivering any YMV activity.

7. Any child protection concerns are to be reported to the relevant British Council Country Manager immediately.
